this is an inspirational guide that provides truthful and straightforward answers to life's most fundamental question: why are mankind unhappy? After over half a decade as a struggling Christian, Dr. Cho has met Jesus Christ in person and came to have a strong desire to share the awakening and understanding on such fundamental questions of life and God with those who are yet struggling and agonizing to find answers. The book is very readable with illustrative pictures and anecdotes both from the Bible and the author's life story. The author hopes the readers find answers in the book both enlightening and encouraging so as to want to take the journey going back home to Eden to find true peace and happiness reconciled with the Creator and now having a purpose and mission in life.

a revealing account of the choices French immigrants faced as they settled in South Carolina. Winner of the National Huguenot Society's 2007 Book of the Year Award, *From New Babylon to Eden* traces the persecution of Huguenots in France and the eventual immigration of a small bloc of the French Calvinist population to Proprietary South Carolina, placing the Carolina migration in the context of the larger Huguenot diaspora. Van Ruymbeke proffers an account that challenges accepted history, describing their settlement as a process of acculturation and creolization rather than simply assimilation. He contends that most of these French Calvinists sought to create their own churches but were thwarted by an Anglicized elite eager to dominate Anglo-Carolinian society. He also reveals that most members of the initial generation were only moderately prosperous and that it was their descendants who acquired the wealth often associated with Lowcountry Huguenots. A new foreword by Owen Stanwood and a preface from the author consider the continuing significance of the book nearly twenty years after its original publication.
